

GREGG MORRIS, Consultant from Leader Resources and Journey to Adulthood trainer, will lead a workshop designed to fit the needs of **Journey to Adulthood (J2A) leaders in Iowa**, as well as those interested in learning more about the program. Whether you are interested in exploring how the Journey to Adulthood program could benefit the young people in your congregation, or whether you have used or are using the program in some form or fashion, this workshop is for you!

Friday evening will be an overview of the program—looking at the theological roots and the three levels of the program—Rite 13, J2A, and YAC. This will be especially helpful to anyone new to the program.

On Saturday Gregg will lead plenary sessions to help participants

- Weed through the materials
- Plan the calendar year
- Adapt lessons for small group use
- Plan lessons

In the afternoon we will have round-table discussions with experienced J2A leaders on

- Confirmation Preparation
- Planning a Pilgrimage
- The Urban Adventure
- Resources for Mission, Service and those Off Years for 6<sup>th</sup> graders
