Be a part of a Miracle

Nearly 60,000 children in Swaziland have lost one or both parents as a result of the AIDS pandemic, and that number is expected to double by 2010. In a country with the world's highest infection rate (42.6%), the Anglican church is meeting this challenge with courage and wisdom. These orphans have little ability to feed or clothe themselves, much less pay school fees. Through the Companions of Swaziland School Fees Project, you can be a part of changing a child's life for the better.

"For nothing will be impossible with God"

--Luke 1:37

The Companions of Swaziland School Fees Project

We in the Episcopal Diocese of Iowa are concerned about Swaziland's children. The only hope for many orphans is to stay in school. Schools provide stability, a meal every day, and hope for the future. But unlike in America, school in Swaziland is not free. That is where you come in. You can help by donating as little as \$10.00, or as much as \$150.00 (a year's tuition for a child), or more.

and with all your strength; and your neighbor as yourself."--Luke 10:27
