

THINKING ABOUT MONASTIC LIFE?

WE INVITE YOU TO CONSIDER THE BENEDICTINE WAY

Do you long to dedicate your life to following Jesus? Monastic life at The Benedictine Way is a life of prayer, service to the poor and forgotten, and fellowship in community.

FOLLOWING JESUS IS...

...A LIFE OF PRAYER

Prayer is the center of Benedictine life, we gather together for daily Eucharist and five times a day for the Daily Office.

...A LIFE OF SERVICE

Service is focused on the poor and forgotten, building community, and providing spiritual guidance to seekers.

...A LIFE OF COMMUNITY

Community is a fellowship of brothers, sisters, and siblings centered on Christ through Benedictine Spirituality. Praying, working, sharing meals together, and supporting one another in our life journeys.

A life in a community dedicated to prayer and service to the poor and forgotten can help to heal and bring peace to this time of anxiety, unrest, and division. Why not consider life as a monastic?

All genders are welcome as monastics at The Benedictine Way.
